

OMBRE LOADING THE GELLI

1. Dot paint onto Fun Foam sheet the width of your brayer.

2. Lightly roll to load brayer with bands of colour.

3. Brayer paint onto plate in strips - be careful not to overlap or mix colours

4. Pull print

Notes: You can load the plate multiple times from the same foam sheet, keeping the colour bands in the same order.

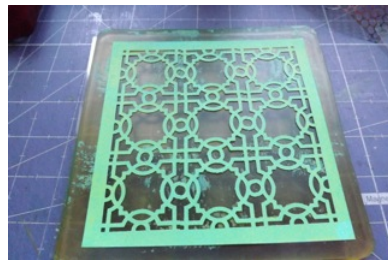

Options: Load the plate

- side-by-side bands
- middle first then sides
- load one side, rotate plate, load other side

ANYWHERE PUNCH, FRAMED

1. Punch stencil, cut to size, leaving a frame

2. Pull textured print then clean plate

3. Centre stencil on Gelli plate

3. Brayer on 2nd colour thru stencil

4. Remove stencil and pull print over the first print

Notes: light over dark or dark over light
